### **Notification of Health Insurance Marketplace**

You may have an opportunity to obtain coverage through the Health Insurance Marketplace in your state. In this regard, in accordance with the President's Executive Order 14009, a special enrollment period is available to the consumers in the 36 states that use the [HealthCare.gov](http://HealthCare.gov) platform starting on February 15 and continuing through May 15. At least 13 states plus the District of Columbia, which operate their own Marketplace platforms, are offering a similar opportunity. For more information on the Health Insurance Marketplace special enrollment period, go to [HealthCare.gov](http://HealthCare.gov). For a list of states that do not use [HealthCare.gov](http://HealthCare.gov) and links to their Marketplaces, go to: <https://www.healthcare.gov/marketplace-in-your-state/>.
